

## General Information

### Conditions of Training

1. TCE is committed to providing its learners with flexible learning processes. TCE focuses on the learning, rather than the teaching, to provide the best possible outcome for the learner. If you have concerns which could impact your learning, please discuss this with the Trainer/Assessor.
2. For the rights and responsibilities of learners, please refer to the Learner Handbook. (Copy on website and reception area.)
3. The training you will be undertaking is competency based. The competencies required and assessments that will be undertaken for your course are clearly stated to you at the beginning of the course.
4. While on the premises, learners are required to conduct themselves in an appropriate manner.
5. Please inform your Trainer/Assessor if you have any lingual, literacy or numeracy barriers which may inhibit you completing the course.
6. If you wish to raise a concern, complaint or appeal please discuss with a TCE staff member. Please refer to TCE's Complaints and Appeals Policy and Procedure.
7. Booking Conditions & Refund Policy: Please refer to the policy attached to your confirmation email. Alternatively find a copy on our website.
8. Recognition of Prior Learning: Please refer to our website for more information and your options for RPL.
9. The assessment requires you to demonstrate the skills and knowledge. The assessment has been divided into 2 main parts:
  - A. Practical Assessment x 2 consecutive activities
  - B. Theory Assessment

## Practical Assessment

### Conditions of Assessment

1. You are required to undertake a practical assessment for this unit of competency.
2. The assessor will provide you with instructions about what you are required to do.
3. If you are unclear about what you have to do, ask the assessor before you start.
4. You may use references, books or course notes during the assessment, if these resources are common to completing the task when performed in a real work environment.
5. Grounds for stopping the assessment: If at any time during the practical assessment, you act in a way that puts yourself, other learners, equipment or property in any danger, the assessment will be stopped immediately. Your assessor will identify and record the dangerous act to you and re-schedule the assessment to be attempted again at a later time. You may be required to complete part or all of the practical assessment again at that time, at the discretion of your assessor.

## Theory Assessment

### Conditions of Assessment

1. You will have a reading time before starting the assessment.
2. During this time you are allowed to ask the assessor about any questions in the assessment that you do not understand.
3. All questions must be answered without any assistance. You may use references, books or course notes.
4. If applicable you may use a calculator during the assessment, provided it is not a scientific calculator.
5. Your assessor will check your answers after you have finished and ask you to explain anything that is unclear.
