Assessment Appeals Process	<p>TCE has an impartial appeals process available for all students. If a student wishes to appeal their assessment result, they must first discuss the situation with the trainer/assessor.</p>

If the student is not pleased with the results of those discussions and would like to proceed further, or if the student does not wish to approach the trainer/assessor then a formal request will need to be made in writing outlining the reason(s) for the appeal.

Participants will need to ensure they have reasonable grounds for the appeal, for example

- Unclear or inaccurate instructions by the assessor
- You feel the assessor showed bias or treated you unfairly or inequitably
- You were ill during the period of assessment and this can be substantiated

This is to be forwarded to the General Manager who will take responsibility for initiating an assessment appeal in accordance with our Complaints Policy. Every effort will be made to settle the appeal to both the student's and TCE's satisfaction.

If the appeal is proven and a reassessment is required, TCE will organise with the student a date and time for the reassessment with another independent assessor. The results of the reassessment will be supplied to the General Manager who will supply this information to the student in writing. The results of the reassessment will be final.

Throughout the entire appeal process the student can request that their appeal be heard by an independent person. The student has an opportunity at any stage to formally present their case. The student will be provided with a written statement of the appeal outcomes, including reasons for the decision. Should the outcome of the appeal not be acceptable to the student, they will be informed, in writing, of the opportunity to lodge a complaint the applicable State Training Authority.

Complaints

Policy

TCE believes that a student, who has a complaint or appeal, has the right to raise the complaint or appeal and expect that every effort will be made to resolve it in accordance with this policy, without prejudice or fear of reprisal or victimisation. The student has the right to present the complaint or appeal formally and in writing.

TCE will manage all complaints and appeals fairly, equitably and efficiently as possible. TCE will encourage the parties to approach the complaint or appeal with an open mind and to resolve problems through discussion and conciliation. Where a complaint or appeal cannot be resolved through discussion and conciliation, TCE acknowledges the need for an appropriate external and independent person to mediate between the parties. The parties will be given the opportunity to formally present their case to the independent person.

Confidentiality will be maintained throughout the process of making and resolving complaints. TCE seeks to protect the rights and privacy of all involved and to facilitate the return to a comfortable and productive learning environment. A copy of this Policy is available to all students and staff, and is available in the Student Handbook.

Procedure

Should a student have a complaint or appeal, the following steps are to be followed:

1. Student should discuss the issue / complaint with the person involved to try and resolve it verbally.
2. If no resolution is reached, the student should discuss the issue / complaint with his / her trainer to see if it can be resolved.
3. If still no resolution the student should put the following information relating to the complaint or appeal in writing:
 - description of the complaint or appeal
 - state whether they wish to formally present their case
 - steps taken to deal with the complaint or appeal
 - what they would like to happen to fix the problem and prevent it from happening again.
4. The student brings the complaint or appeal to the attention of the trainer.
5. If the complaint or appeal is not dealt with to the student's satisfaction, s/he may bring it to the attention of the General Manager. The General Manager will either deal with the issue personally or arrange for it to be dealt with by a management representative. This process must commence within 48 hours from the time the General Manager receives written notification from the student about their dissatisfaction to the response received from their trainer and a response / resolution must be presented within 30 days.
6. Should the issue still not be resolved to the student's satisfaction, the General Manager will make arrangements for an independent third party to resolve the issue and outline any costs that may be involved with this to the student. The student will be given the opportunity to formally present his or her case. The time frame for this process may vary but should take no longer than 14 days.

	<p>7. All parties involved will receive a written statement of the outcomes, including reasons for the decision within the 14 day period. If the process is taking longer than 60 days from the complaint or appeal being received the student will be notified in writing of the reason for the delay and kept informed about all progress.</p> <p>8. If the student is still not happy with external mediation, he / she may take his / her complaint to the VET Regulator.</p>
